Turn Pair

Question (MS. EASTERLING):

And your opinions in that case were -- were they blaming the plaintiff for the incident? (MR. GRINNAN objection: object to the form, foundation.)

Answer (BENJAMIN GIBSON):

I don't think it was necessarily blaming the plaintiff in that case. I think it was noting that Energy Transfer was not involved in that work. They hired that contractor. They -- this guy was the foreman and had chose the means and method, that was more the theme in that case for -- given the nuances of that specific matter.
